SCHEDULING DRIVING HOURS ONLINE AT OUR WEBSITE THROUGH STUDENT PORTAL

Scheduling Policy: The Registry of Motor Vehicles requires that a student hold their Learner's Permit for a minimum of six months (184 days), while consistently driving 40+ hours of supervised driving at home in order to successfully complete a Driver Education Program and be issued a Certificate of Completion. Because of this requirement, our Behind-the-Wheel scheduling policy allows students to schedule one driving hour every 5 days. This system has proven successful as it allows students to complete their 12 driving hours close to their eligibility date.

Transfer students from other driving schools will need to follow the same rules as YDS full course students.

The school reserves the right to reschedule a lesson (*including classroom instruction*) or to make available to the student an alternate instructor or car in the event of inclement weather, unavailability of an instructor, or any other factor beyond the control of Sharon Driving School.

YDS reserves a right to stop driving lessons if the student is not doing required forty (40) hrs of supervised driving.

Driving hours could be canceled if weather will be bad. SDS will text or email you if a lesson is canceled due to Bad weather.

Time cards need to be with the student for all parts of Drivers Ed course and made sure that they are signed.
